

## Welcome to Georgia Project

Before you can learn about the history of Georgia, you need to have an understanding of the geography of Georgia. This assignment has been created to do just that. While working in small groups, you will research and learn about what all Georgia has to offer. The project checklist and rubric is provided below. There is a copy of the assignment on the website as well as a list of resources.

### Geography

**40 points**

Create a travel guide for each region. The product you create can be in any format you chose, but be sure to proofread and turn in a completed and neat assignment.

<b>Appalachian Plateau</b>	<b>Valley &amp; Ridge</b>	<b>Blue Ridge</b>	<b>Piedmont</b>	<b>Coastal Plain</b>
<input type="checkbox"/> Contributions to Georgia's economy <input type="checkbox"/> Population <input type="checkbox"/> How does climate impact the region? <input type="checkbox"/> Physical Features <input type="checkbox"/> Major Cities <input type="checkbox"/> Tourist Attractions	<input type="checkbox"/> Contributions to Georgia's economy <input type="checkbox"/> Population <input type="checkbox"/> How does climate impact the region? <input type="checkbox"/> Physical Features <input type="checkbox"/> Major Cities <input type="checkbox"/> Tourist Attractions	<input type="checkbox"/> Contributions to Georgia's economy <input type="checkbox"/> Population <input type="checkbox"/> How does climate impact the region? <input type="checkbox"/> Physical Features <input type="checkbox"/> Major Cities <input type="checkbox"/> Tourist Attractions	<input type="checkbox"/> Contributions to Georgia's economy <input type="checkbox"/> Population <input type="checkbox"/> How does climate impact the region? <input type="checkbox"/> Physical Features <input type="checkbox"/> Major Cities <input type="checkbox"/> Tourist Attractions	<input type="checkbox"/> Contributions to Georgia's economy <input type="checkbox"/> Population <input type="checkbox"/> How does climate impact the region? <input type="checkbox"/> Physical Features <input type="checkbox"/> Major Cities <input type="checkbox"/> Tourist Attractions

### Economics

**40 points**

Congratulations! You've just been hired as a Logistics Manager for Land Air, a local transportation company. It is your job to determine the *how* the following products will be transported to their final destination. Be sure to read the directions carefully, so you do not get in trouble on your first major assignment!

Fiats must be imported to the coast and then exported to Oklahoma. Give a detailed plan on how you will make this happen.  <b>Things to Consider:</b> <input type="checkbox"/> Multiple Transportation Systems must be used <input type="checkbox"/> A specific route must be included <input type="checkbox"/> Are there any climate concerns?	A local peanut farmer in Plains, Georgia needs to distribute his peanuts to grocery stores throughout the southeast. Give a detailed plan on how you will make this happen.  <b>Things to Consider:</b> <input type="checkbox"/> Multiple Transportation Systems must be used <input type="checkbox"/> A specific route must be included <input type="checkbox"/> Are there any climate concerns?
